4. 2:00      **Regional Transportation Overview**      **Staff**  
 At the request of TAC members, Staff will provide an overview of transportation projects with regional implications. Staff requests that TAC members engage in a discussion about current multi-modal transportation projects and how the TACs can best support each other as we move forward.  
*Action Requested: Information/Discussion*
5. 2:30      **Regional Transportation Collaboration**      **All**  
 With increased MPO capacity in the hiring of CAMPO, AAMPO, and support staff, and with regional efforts focused on better connecting the two regions for commuters, residents, and visitors, the time is ripe for regional collaboration. Staff will guide a discussion to gauge interest in: (1) pursuing common regional transportation goals, and (2) developing a regional project.  
*Action Requested: Information/Discussion*
