Be a *Giving Day* sponsor and support *Meals on Wheels* of Linn, Benton, and Lincoln Counties. *Giving Day* sponsorship is a unique way to serve aging adults and adults with disabilities across our Region and be recognized as a community partner for a specific day or set of days during the upcoming calendar year.

Three Hundred and Sixty Five *Giving Day* sponsors can meet the needs of our most vulnerable population by contributing hot and nutritious meals, and helping our network of volunteers provide service and support to homebound seniors and people with disabilities every day.

Joining the *Giving Day* campaign for \$1,000 guarantees the purchase and delivery of 100 meals, supports our volunteers who prepare and deliver meals, and helps the *Meals on Wheels* program continue to build our capacity and strengthen community ties.

You can donate one day or multiple days. Each day *Giving Day* provides **health, safety, and socialization** for some of our community's most vulnerable. When a volunteer delivers a meal, they check on the health and well-being of our senior or community member with a disability. Volunteers make sure homes are safe and secure, and are often the first visit an individual in distress may have. Volunteers help save lives. *Meals on Wheels - it's more than a meal.*

Become a part of the *Giving Day* movement today - just \$1,000 or \$88.33/month - to change the lives of those in your community. Visit www.CelebrateLBL.org for more details.
