Being an *Advocate* or *Supporter* of the *Meals on Wheels* program is another way to help end senior hunger and be recognized as a partner for those most vulnerable in our communities. We welcome you to sponsor the program and the *CelebrateLBL* event to help end senior hunger in our Region.

Every \$100.00 raised guarantees  
10 hot and nutritious meals delivered to  
a homebound senior or person with disabilities.

Each sponsorship provides more than a meal, by supporting the health, safety, and socialization for seniors and individuals with disabilities. *Meals on Wheels* volunteers deliver nutritiously balanced meals to the door of those who are homebound. They engage in conversation, checking that individual's health and well-being. They make sure homes are safe and secure, and are often the first visit that individual in distress may have.

Volunteers help save lives. *Meals on Wheels* - it's more than a meal.  
Become a part of the *Meals on Wheels* movement today.

## More information about *CelebrateLBL*

*Celebrate Linn, Benton, and Lincoln* - a Regional Awards and Recognition Event will highlight this year's Regional successes, outstanding citizens, and innovative projects. The evening will include the presentation of six Regional Awards and a fundraiser for the *Meals on Wheels* program. *CelebrateLBL* will provide an opportunity for community and business leaders, regional stakeholders, and elected officials to come together to celebrate our Region.
